- English — Professional

PROFILE

Architect with over three years of professional experience in architectural design, 3D visualization, and sustainable building development. Experienced in delivering residential and high-rise building projects from concept through visualization, while collaborating with multidisciplinary teams. Passionate about sustainable architecture, urban development, and advancing professional knowledge through graduate study.

WORK EXPERIENCE

ARCHITECTURAL DESIGNER 2023-2025
Interiorubik Design

- Led the architectural design of more than 10 high-rise buildings with a focus on sustainability.
- Collaborated with engineers and contractors to support buildability and technical accuracy.
- Produced architectural drawings and visual presentations from concept through detailed design.

ARCHITECTURAL DESIGNER 2022-2023
MASGroup

- Developed architectural 3D models using SketchUp.
- Produced high-quality architectural visualizations with Lumion.
- Assisted in presentation preparation and coordinated design revisions with project architects.
